

WINNERS OF THE PRIZE TURKEYS

Fine Showing of Native Birds Made in the Bulletin Contest—Contestants From Two Counties and Eight Towns.

Better than last year was the display of native turkeys entered in the Bulletin contest at Somers Brook on Tuesday. There were about thirty in all sent in from the two counties and representing eight towns. The birds were large and plump, and showed that the Eastern Connecticut farmers understand how to raise the popular Thanksgiving bird. That all turkeys are raised in the west or farther north was thoroughly disproved, and no nicer looking birds could be desired.

The weighing in occupied some time and attracted a large crowd, and the prize winners as they hung in front of the market, with the blue ribbons flying, caused many to stop and take notice of the home raised turkeys. They were the three fastest turkeys in Eastern Connecticut, and well they might attract attention and make the onlooker wish for the moment that he was down for a place at the dinner table at the institutions where they are to be served. All were hatched and grown in this end of the state, and will remain here, as all were bought, whether they took a prize or not, and the highest market price of 32 cents was paid for the winners.

The first prize of \$10 was offered for the fastest turkey and this went to Isaac G. Gear of Ledyard, who presented one weighing 15 1/2 pounds. Mr. Gear took away a check for \$10, the prize and the market price for the turkey. This turkey, by the terms of the contest, goes to the Rock Nook home. The Bulletin having provided

the turkey for the Thanksgiving dinner there for several years.

The second largest and fattest young turkey was brought in by Mrs. C. H. Lathrop of North Franklin. This bird was a pound and a half less than the Ledyard prize winner, tipping the scales at 13 pounds. Mrs. Lathrop's check was for \$8.50, the second prize having been \$5. This turkey will furnish the dinner at the Sheltering Arms as a gift from The Bulletin.

The bustier of the bunch, the largest and fattest turkey in the two counties over a year old, was raised by James E. Lord of Stonington. This big bird weighed 30 1/2 pounds and took the third prize, which was \$5. Mr. Lord received for the bird together with his prize, the sum of \$14.75. This turkey will go to the New London county home in this city for the Thanksgiving day dinner.

Some of the others who participated in the contest in addition to the prize winners were William Hiscox, Preston City; Harry Holdredge, Ledyard; E. A. Stiles, Leonard Bridge; G. A. Maloy, Preston; J. B. Palmer, Lisbon; Frank Duffill, Lisbon; Lafayette E. Main, North Stonington; E. Livingston, Preston; Mrs. Murphy, Scotland; Messrs. Meyer, DeWolf and Bromley also had some choice birds. It was easily the largest gathering of turkey raisers the city has ever held and some of the fine points on raising the birds were exchanged, so that the gathering was what might be termed Norwich's annual turkey congress.

LADIES' NIGHT AT NORWICH COUNCIL, R. A.

Fine Programme Carried Out at the Buckingham Memorial.

Ladies' night, with an entertaining programme but a diminished attendance because of the rain storm, was given by Norwich Council, No. 720, Royal Arcanum, on Tuesday evening at the Buckingham Memorial. After a short business meeting, at which Regent George F. Adams presided in the council chamber, the meeting was transferred to the post hall for the entertainment programme, where Orator W. H. Rush was in charge.

Raymond B. Eldred, the well known local violinist, was heard in artistically rendered solos upon his instrument, with Mrs. Camilla Eldred Shields as accompanist. His selections were: Romance, Sans Pareille; aria Tanagra, Schoenrosmarin (Kreiser), and Hungarian Dance in C major (Brahms). Two tenor solos, The Voice of the Ocean (Hartwell-Jones) and Call Me Back (Denza) were rendered with fine effect by A. P. MacDougall, for whom the accompaniments were played by his wife.

There was an entertaining programme of eight of hand by La Montague, who mystified his audience very completely, and graphophone selections were rendered.

Mohican Company Buys.
Schwarner's market in New London has been purchased by the Mohican company. The consideration stated in the agreement is \$20,000. Of this, \$100 was paid as a binder. On Dec. 7 the balance of \$9,900 is to be paid to the Schwarners and they are to give a free title to the building, counters and other fixtures, stock, horses, wagons, automobile and in fact all the accessories and appurtenances. Both stores in New London will be operated for the present.

Fifth Company's Drill.
Despite the rain there was a good attendance at the regular drill of the Fifth company at the armory on Tuesday evening. Following the drill there was an interesting basketball game between the Fifth company and the All-Stars which was won by the former, 12 to 6.

THANKSGIVING DAY SERVICES.

Union Meeting at Park Church—Services in Other Churches.

The union Thanksgiving service of the Congregational churches and the Central Baptist church will be held on Thursday morning at eleven o'clock at Park church, Rev. S. H. Howe, D.D., being the preacher.

At the Episcopal churches Thanksgiving day there will be special services.

Thanksgiving day mass will be celebrated at St. Patrick's church at 8 o'clock.

This (Wednesday) evening at 7.45 o'clock the Christian Science society of this city will hold a Thanksgiving service in Room 6, Bill block.

DIED.
FORD—Suddenly, in New London, Nov. 24, 1911, John T., son of John and the late Thomas Ford.
Funeral from his late residence, 92 Washington street, New London, Wednesday, Nov. 29, at 7.45. Requiem high mass at St. Mary's Star of the Sea church at 8. Burial in St. Mary's cemetery, Norwich, on arrival of special trolley car from New London at 10.30 o'clock.

How to Cure Rheumatism
Prominent Doctor's Best Prescription Easily Mixed at Home.
This simple and harmless formula has worked wonders for all who have tried it, quickly curing chronic and acute rheumatism and back-ache. From your druggist get one ounce of Toris compound (in original sealed package) and one ounce of syrup of Sarsaparilla compound. Take these two ingredients home and put them in a half pint of good whiskey. Shake the bottle and take a tablespoonful before each meal and at bedtime. Good results come after the first few doses. If your druggist does not have Toris compound in stock he will get it for you in a few hours from his wholesale house. Don't be influenced to take a patent medicine instead of this. Insist on having the genuine Toris compound in the original one ounce, sealed, yellow package. This was published here last winter and hundreds of the worst cases were cured by it in a short time.

A Reasonable Plea For the Stomach

If Your Stomach is Lacking in Digestive Power, Why Not Help the Stomach Do Its Work—Especially When It Costs Nothing to Try?

Not with drugs, but with a reinforcement of digestive agents, such as are naturally at work in the stomach? Scientific analysis shows that digestion requires pepsin, nitrogenous ferments, and the secretion of hydrochloric acid. When your food fails to digest, it is proof positive that some of these agents are lacking in your digestive apparatus.

Stuart's Dyspepsia Tablets contain nothing but these natural elements necessary to digestion and when placed at work in the weak stomach and small intestines, they supply the organs need. They stimulate the gastric glands and gradually bring the digestive organs back to their normal condition.

Stuart's Dyspepsia Tablets have been subjected to critical chemical tests at home and abroad and are found to contain nothing but natural digestives. Chemical Laboratory, Telegraphic address, "Difindoo," London. Telephone No. 11029 Central. 20 Cullum St., Fenchurch St., E. C.

London, 6th Aug. 1905.
I have analyzed most carefully a box of Stuart's Dyspepsia Tablets (which I bought myself at a city chemist's shop for the purpose), manufactured by the F. A. Stuart & Co., Ltd., 20 Cullum St., London, E. C., and have to report that I cannot find any trace of vegetable or mineral poisons. Knowing the ingredients of the tablets, I am of opinion that they are admirably adapted for the purpose for which they are intended. (Signed)

John R. Brooke, F. I. C., F. C. S.
There is no secret in the preparation of Stuart's Dyspepsia Tablets. Their composition is commonly known among physicians, as is shown by the recommendations of 40,000 licensed physicians in the United States and Canada. They are the most popular of all remedies for indigestion, dyspepsia, water-brash, insomnia, loss of appetite, melancholia, constipation, dysentery and kindred diseases originating from improper dissolution and assimilation of foods, because they are thoroughly reliable and harmless to man or child.

Stuart's Dyspepsia Tablets are at once a safe and a powerful remedy, one grain of these tablets being strong enough (by test) to digest 3,000 grains of steak, eggs and other foods. Stuart's Dyspepsia Tablets will digest your food for you when your stomach can't.

Ask your druggist for a fifty cent box or send to us direct for a free trial sample package and you will be surprised at the result. F. A. Stuart & Co., 11029 Central Bldg., Marshall, Mich.

ONLY ABOUT THIRTY FEET OF PIPE TO LAY.

The Water Department Will Then Have Completed Their Part of the Stony Brook Pipeline.

On Tuesday the water department employees laid a section of the Stony Brook pipeline under the trolley track in Washington square, so that it was not necessary for trolley patrons to transfer there, late in the afternoon and evening. There remains about thirty feet more of pipe to be laid there, which means two more full lengths. There will then be a gas and a branch, which will complete the job. It may all be completed by tonight, if the weather permits, but it will be finished Friday night at the latest. It is the opinion of Superintendent Corkey.

Fairview reservoir had gained two more inches from the rain of the week. The measurement on Tuesday showed it to be down 172 inches. With the hard rain of Tuesday afternoon and evening, during which it is believed about an inch of rain fell, it will continue to gain much more.

Investigating Cost of Parcels Post.
Washington, Nov. 27.—The cost of the city delivery system of a national parcels post system, to be operated through the postoffice department, is under investigation by the senate committee on commerce and commerce.
